We suggest 5 days of birding holidays from the city of Malaga, the Costa del Sol (from Nerja to Estepona) or Antequera at all times of the year: summer, autumn migration, winter, spring migration and summer.

Prices are showed per group up to 4 persons.

Price includes:

- English speaking birdwatching guide.
- Trip transport.
- Binoculars, telescope and bird books in English available.
- Accident insurance.
- VAT

Price does not include:

- Flights (please, check our availability before booking your flights!).
- Accomodation (though we will be very pleased to recommend you where to stay according to your preferences).
- Meals (we will do as many coffee breaks as necessary and stop in restaurants en route for quick lunches).

Please, use the Inquiry Form below for more information and bookings and to let us know about your preferences (other places to stay, other birding destinations, target birds, fewer trips, bigger groups, etc.) in order to adapt the tours accordingly.
